# Nursing & Staff Appreciation Week, May 5-9, 2025

RossWoods has served this community for almost 30 years and during that time we have been blessed with an incredibly caring & professional nursing staff. This week in May we honor and celebrate ALL of our staff for their commitment to excellence in care for our participants & their families.

"You all are such wonderful, caring angels. I am so blessed that RossWoods exists!" - Pam

"I so appreciate all the staff and how good they are at taking care of my mom, Wanda Black. I don't know what I would do if I didn't have RossWoods to keep her while I work. You guys rock!" - Rhonda

"This is a great caring staff! They are very kind and helpful and also have a sense of humor, which my brother enjoys. We really appreciate all of them."

"We are so blessed to have our mother at RossWoods. She looks forward to going and we know she is well taken care of. She loves all the staff and enjoys all the activities they do together. I love seeing how the staff are interacting with the clients when I pick her up. She always has to make sure to tell the staff goodbye for the day and lets them know when is the next time she will be coming. I feel a great comfort in knowing she is somewhere she is cared for and enjoys going. Thank you for all you do! You make our lives abundantly easier!"

"There are not enough words to describe my gratitude for the wonderful staff at RossWoods. My aunt loves attending and being a part of all the activities."

"We have always felt very highly of Rosswoods and the people that run it. Your staff is exceptional. I've always told people that your folks answer a calling not just a job interview!!!"

- Jim & Susie

"How thankful we are for all of you!

Jeremiah and I can't thank you enough for all your hard work, the patience and commitment that you show to him and all the participants you serve! Because of your interaction with our family member, we can clearly see how dedicated you are to everyone there. Each one of you are an essential part of RossWoods and our son's care.

Without your unwavering support most of us wouldn't have the opportunity to rest, work or take a break and run errands. We have the ability to do that now because we know our loved one is being taken of. So, this appreciation week and going forward we want you to know that your hard work and dedication to our loved one has not gone unnoticed and we sincerely want to thank you for all you do and continue to do." - Jeremiah and Kawanda

"My wife has been going to RossWoods for about 6 months. We could not be more pleased with the care she is receiving. She is greeted each morning with smiles and a warm reception. When I pick her up in the afternoon, she is smiling and happy. When I ask her about her day, she always says it was great! She has made a lot of friends there and she is always excited when we drive up in the morning. The RossWoods staff is amazing. Extremely caring and professional. You get the feeling that they love their job and the people they serve." - Mike & Rose

"To the RossWoods staff- All of you are so appreciated! You are always so kind, helpful and loving. My experience with each one of you has been so comforting. It's a joy and relief to know Wayne is in such good hands and I can ease my mind knowing he has someone like you all to be with him during the day. All of you are so cheerful and happy to see us - always smiling! Love you all" - Faye

"What a wonderful facility we have in Dalton at RossWoods! All of the nurses and staff are what make it special. Every staff member is so helpful, caring and personable. My mom gets the best care possible and really enjoys her visits there. She loves all the attention she receives and like showing off her crafts that she makes. It makes her so proud which makes me happy for her! Thank you RossWoods - We Love and appreciate each one of you!" - Dayne & Colleen

"Everyone at Ross Woods is amazing! ... I know it is very challenging to take care of our family members .... Especially Virginia! She loves the fact that Sharon calls her "Barbie" ... Thanks to all of the Nurses for all they do on a daily basis ..Kudos especially during nurses week! Y'all are Blessings to us & our loved ones! - Debbie

"RossWoods has been a blessing to Ms Barbara. She gets up most mornings asking to go for the day. She really enjoys the activities that the staff assists her with and she is proud of what she gets done there. The staff are so compassionate and supportive to her and the other people who are there. They go above and beyond to assist and make sure everyone has a great day!"

"The staff at Rosswoods always go above and beyond what you could expect them to, they are the most loving caring group of individuals I have ever had the privilege of being around. I couldn't ask for better caregivers for my mom."

"RossWoods has been a lifesaver. We are so grateful for this establishment and the people who care for my mom it is beyond one's comprehension. My mind is at rest and I do not have to worry one single bit during the day. The love and care she receives as well as the others is amazing. Thank you all for making life doable. We appreciate and are thankful for every one of you! Thank you RossWoods!!"
